

Taizhou best electric Equipment Co.,ltd

About us:

Taizhou Best electric Equipment Co.,ltd was founded in 2003, it has a registered capital of 10 million and 100 employees. The plant covers an area of 2000 m² square meters and owns more than 20 advanced production equipment imported from home and abroad.

Main products of the company: industrial heater and temperature measuring instrument.

Certification: ROHS/CE/ISO9001/SGS

Enterprise philosophy: Customer and Quality First,Product quality is the vitality of an enterprise

● Cartridge Heater

Simple structure, high mechanical strength, high thermal efficiency, safety and reliability, simple installation, long service life and no pollution
